

Sponsor Benefits

“GTA is a remarkable group. Our sponsorship has paid for itself many times over in business and educational opportunities.” Nancy White, Custom Interface Inc.

The Gorge Technology Alliance seeks to promote the technology business sector of the Gorge by helping start, grow, expand, and sustain high tech companies. We accomplish this by encouraging networking among technology businesses to promote and leverage each others' capabilities, products, and services; providing educational opportunities; and branding the Gorge for high tech.

Sponsors are vital to ensuring that we can continue to promote Gorge technology businesses and carry out our initiatives in support of our mission and vision.

Sponsors of GTA enjoy all the benefits of Membership plus:

	Platinum \$5,000	Gold \$2,500	Silver \$1,000	Silicon \$500
