- Free entrance for **you and all of your employees** to all regular and special member-only GTA events.
- Full business profile with links in the GTA online member directory.
- Your business featured in a Member Spotlight, upon request by Member.
- Use of the GTA job postings.
- Promotion of your business when service inquiries are received.
- Right to use the GTA logo and promotional items.
- Invitation to participate in legislative events focused on Gorge tech businesses as they occur.
- Assistance with workforce training issues.
- Participation in collaborative solutions to regional tech industry issues.
- Business start-up assistance or one-on-one business support.
- Service providers: inclusion in a GTA web directory of members by service/ capabilities.
- Annual vote to select the GTA's Board of Directors.

MEMBERSHIP DETAIL

Membership runs October 1 to September 30 with dues based on the number of local employees.

Full Member Types:

- Technology: Companies whose primary focus is the research, development or manufacture of technological products or services, as well as IT or Development Departments in non-tech companies.
- Service Providers: Companies that provide services to the technology industry.
- Community Partners: Non-profit organizations, educational institutions and government agencies. Annual dues are \$150.

No. of Local Employees	Technology	Service Provider
1	\$150	\$200
2-5	\$250	\$400
6-10	\$500	See sponsorship information
11+	See sponsorship information	

Associate Members (\$100) are generally students, job seekers or retirees. Associate Members are listed on the GTA website and receive free entrance to regular GTA meetings.

2021-22 ENGAGEMENT OPTIONS

The Gorge Technology Alliance supports, connects and develops the technology community of the Columbia River Gorge. Select the options below to help us best connect your business with the Gorge's tech community and support STEM education.

MEMBERSHIP. Membership is available for smaller companies, community partners, students, job seekers and retirees. Members receive resources, promotion and connections to support your successful business. Dues vary from \$100 to \$500. See Member Benefits flyer for details.

SPONSORSHIP. Sponsorship is an effective means for visibility and engagement with Gorge tech industry leaders, peers and potential customers. Sponsors receive full membership benefits plus increasing levels of brand visibility. Levels range from \$600 to \$25,000. See Sponsor Benefits flyer for details.

EVENT SPONSORSHIP. Choose the event you wish to associate with your brand and receive recognition before and during the event. In addition, receive free entry for up to five guests and the opportunity to welcome attendees. Events include: Summer Party, Winter Party and Awards Ceremony, Gorge Tech Showcase, Series Sponsorship (Geek Lunches, Human Resources Coffee, Gorge Women in STEM, CEO Excellence Forum). Cost per Event/ Series: \$500 for GTA Members, \$1000 for non-GTA Members.

STEM SUPPORT. The Gorge Tech Alliance offers three options for your company to support science, technology, engineering and math education in the Gorge. Choose the fund(s) below that inspire you and the amount that feels right:

- The GTA's specific fund that supports **youth robotics programs** in the region is used to provide equipment, host events and fund teams that advance to competitions that require out of state travel.
- In 2019 the GTA launched a successful fund to provide small **grants to STEM educators** in partnership with the Gorge STEM Hub and will continue with this work in the 2021-2022 membership year.
- Finally, our **college scholarship** endowment fund makes an award every year to a Gorge student pursuing a degree in science, tech, engineering or math.
